Lviv Ukraine

Professional Profile

Proficient in HTML, CSS, and JavaScript. Actively expanding expertise in React.js and Node.js. I've had the privilege of participating in team projects, where I took on the role of Team Lead, gaining valuable leadership experience.

Quickly build rapport and communication within new teams. Proven track record of actively participating in events and discussions. Developed strong soft skills through hands-on experience. I believe in continuous learning and staying ahead in the dynamic world of technology. Excited about the challenges and opportunities that come with being a Front-End Developer

Core Skills

- HTML5 | CSS3
- JavaScript
- TypeScript
- React.js
